**Subject: Application for Admission to the Research in Computer Science Master Program**

**Dear Admissions Committee,**

**I am writing to submit my application for the Research in Computer Science Master program at Hof University for the Summer Semester 2025. I am excited about the opportunity to further my education at Hof University, an institution renowned for its commitment to academic excellence and innovation in Computer Science.**

**I have completed my undergraduate studies in Statistics and Computer Science at Mansoura University, where I developed a strong foundation in Statistics and Computer Science. My academic background, combined with Tar company's internship , has prepared me well for the challenges of graduate-level studies. I am particularly drawn to Hof University due to Because of the experience of the teacher there and the good knowledge and working in a practical and qualifying way and Focus on Applied Research.**

**Enclosed with this application, I have provided the required documents, including my transcripts, curriculum vitae, letters of recommendation, and a copy of my language proficiency test results. I have ensured that all documents meet the application requirements and have followed the guidelines provided by the university.**

**Thank you very much for considering my application. I look forward to the possibility of contributing to the academic community at Hof University and enhancing my knowledge and skills in Research in Computer Science Master .Please do not hesitate to reach out if further information is required.**

**Yours sincerely,**

**Mohanad Tarek**
